

KIDS SUMMER SCHOOL

FROM JUNE 30TH TO SEPTEMBER 5TH
AGES 3-6. 9AM - 5.30PM (EXTRA HOURS - 7PM)

THIS SUMMER, GIVE THE GIFT OF A UNIQUE EDUCATIONAL EXPERIENCE! THE BILINGUAL SUMMER SCHOOL AT KIDS INTERNATIONAL PRESCHOOL ANDORRA IS MUCH MORE THAN JUST A VACATIONS OPTION – IT'S A SPACE FOR GROWTH, FUN, AND DISCOVERY.

KIDS SUMMER SCHOOL

**A UNIQUE EDUCATIONAL EXPERIENCE, WITH
THE TRUST OF KIDS AND THE QUALITY THAT
MAKES US A BENCHMARK IN ANDORRA.**

BILINGUAL

Meaningful learning in English and Catalan: we naturally develop communication in both languages through games, stories, workshops, and creative activities.

KIDS EXPERIENCE

With the trust of Kids International Preschool Andorra, a dedicated educational team supports each child with care, love, and professionalism. We provide an environment where **every child feels heard, valued, and safe.**

CONNECTION WITH THE ENVIRONMENT

Outdoor activities, weekly excursions, and nature outings allow children to connect with their environment, learn through play, and move freely in safe and stimulating spaces.

VARIED THEMES AND PROGRAMMING

We spark children's curiosity and creativity with activities that encourage exploration and confidence. **Each month features a magical theme with different activities every day.**

KIDS SUMMER SCHOOL

THEMES SUMMER 2025

EACH MONTH, A MAGICAL THEME WITH
DIFFERENT ACTIVITIES EVERY DAY

JULY SPORTS

This July, children will embark on a **unique sports adventure with weekly activities full of energy and learning:** football, athletics, basketball, water sports...

Sports will be the guiding thread to develop physical, social, and emotional skills in a safe, fun, and motivating environment!

Our program has clear objectives to promote coordination, cooperation, effort, and self-confidence.

In addition, children will enjoy excursions, creative workshops, inspiring stories, and many other dynamic activities.

STEM AUGUST

At Kids, we experience a different kind of summer with a **100% STEM-based program: Science, Technology, Engineering, and Mathematics.**

Through hands-on, creative activities tailored to early childhood, children will explore nature like little scientists, experiment with light and water, and discover math by playing with their surroundings.

All of this takes place in a fun and stimulating environment that fosters curiosity, confidence, critical thinking, and creativity—while they enjoy a discovery-filled August.

SEPTEMBER BACK TO SCHOOL

Although short, the September week will be very special: we've prepared a **rich program full of emotional and creative activities to help children get ready to go back to school.**

We'll create visual calendars, decorate our school supplies, talk about the emotions that come with returning, play with the routine train, and wrap up the week with a big themed gymkhana full of fun and challenges.

A week designed to rebuild habits, strengthen bonds, and return to school with confidence and joy!

KIDS SUMMER SCHOOL

MEALS

Fresh and healthy meals are prepared daily in our kitchen, with menus designed by a dietitian to meet the needs of growing children. On excursions days, lunchtime is also a fun moment: we enjoy a picnic, with an adapted menu that remains just as healthy and appealing. We also adapt meals for food allergies and intolerances. All families will receive the menu before the start of the summer school.

EXCURSIONS

Every week we go on **cultural, educational, and sports excursions that align with our program**. Each outing has both educational and recreational goals, allowing children to enjoy enriching experiences in a variety of settings.

ACTIVITIES

The weekly program includes **different activities every day**, such as crafts, cooking workshops, storytelling, water games, sports, music, face painting, and much more!

KIDS SUMMER SCHOOL

THIS SUMMER AT KIDS, CHILDREN LIVE, LAUGH,
DISCOVER, AND GROW. WE LOOK FORWARD TO
WELCOMING YOU WITH GREAT EXCITEMENT!
